Upon review by Mr. Ed Westin (USPTO TC2800) of the processing of the Power of Attorney submitted on November 17, 2003, he has concluded and indicated to the undersigned that the subject revocation and change of address was improper and that steps would be taken to reinstate the power and return the address of record for correspondence to that of the undersigned.

Accordingly, the expediting and confirmation of the reinstatement of the power of attorney and correction of the address of record for correspondence is hereby requested in view of further prosecution needed in the present application.
